**Province 19 Council  
Meeting**

On Sunday, August 30th, representatives from our alumni association and chapters met in Columbia. At the meeting, representatives shared reports and province officers also reported on their activities since our last gathering. The council discussed the St. Louis Sinfonia Meeting, the formation of the Kansas City Alumni Association, Legislative Changes from the 2009 National Convention, Province Workshop 2009, MMEA 2010, and the possibility of hosting a spring province event at Lyrecrest or having one of our chapter's host a spring event. The Pi Zeta chapter was awarded the traveling trophy for having the most members in attendance, according to percentage. The council also allocated money for making ritual properties for Province 19, expenses for MMEA and expenses for Province Workshop.

### From The Province Governor...

Brothers of Province 19,

I hope that all of you had a rewarding summer with time for rest and relaxation. Over the summer I was able to attend an amazing National Convention with over 600 brothers in attendance. After gaining many new ideas and tons of inspiration, I am ready for another great year in Province 19!

On August 30th, the province held its council meeting in Columbia, hosted by the Zeta chapter. This meeting included discussion on some of the events that are coming right around the corner. The St. Louis Sinfonia Meeting will include all of our St. Louis Collegiate Chapters and the Alumni Association on September 27th starting at 5:00p. This event will help promote interaction and collaboration between the three chapters (Xi Tau from Province 5 included) and our alumni association. The Province 19 Workshop will also be held this semester at Missouri State University (Iota Rho) on November 21-22. This province workshop could be our largest ever with over 140-150 brothers in attendance!

As always, it is an honor to serve in the role of Province Governor. I truly enjoy visiting and experiencing Sinfonia in the State of Missouri and I can't wait to visit your chapter and/or your alumni association soon!

Please feel free to contact me at anytime during the year!

Faternally,

John M. Israel  
Chair, Province Governor's Council

Pi Zeta, Lindenwood

Alumni Coordinator. This summer I was able to attend the National Convention in Orlando. This was a wonderful convention with great musical performances, breakout and information sessions, and the ever fun legislative sessions. I will be happy to share any of the information I received with any chapter. While we are starting a new triennium I hope that all of you will think about attending a summer leadership institute or national convention in the future. These are truly the pinnacle events in our journey in Sinfonia. Once each of your chapter's meeting schedules is finalized I would like to start planning visits. This fall I hope to work with chapters, especially the ones close by on the west side of the province, on any issues of concern, (National Convention legislation, ritual, chapter issues, etc.) In the meantime please do not hesitate to call or email me with any questions you might have. I hope to see many of you at our Province Workshop in Springfield.

Fraternally,

Jayson Moll
